

## **Strategy & Operations Internship**

### **Company Overview**

Gastronomous is a fast-paced, dynamic start-up focused on revolutionizing how food is prepared and enjoyed worldwide! Having developed Canada's first [fully autonomous kitchen](#), Gastronomous realizes the "Kitchen of the Future" through advanced industrial automation techniques and cutting-edge technologies.

We are a no-nonsense team of passionate people with a bias for action. We know that our ability to execute on our ideas is what sets us apart. We do what we say we are going to do, externally and internally. We trust our people to act independently and make practical, real-world decisions.

If you are passionate about developing meaningful technology that creates meaningful solutions, then Gastronomous is the place for you! By joining our team, you will be immersed in a dynamic and thought-provoking environment that tests your capabilities and pushes you to new heights.

Gastronomous is looking for a **Strategy & Operations Intern** who will directly work alongside our core business team. Your input will be crucial in shaping the strategic direction and operational efficiency of our company. This position offers a unique opportunity to gain hands-on experience in the fast-paced world of high-growth tech startups.

### **What You'll Do:**

- Assist in developing and executing strategic initiatives to drive growth and operational excellence.
- Conduct market research and analysis to identify trends, opportunities, and competitive threats.
- Work cross-functionally (e.g., engineering, sales, product development, finance) to streamline processes and improve performance metrics.
- Contribute to critical initiatives, like project plans, financial models, and performance reports.
- Support the management team in decision-making processes by providing data-driven insights and recommendations.

### **Preferred Knowledge, Skills, and Abilities:**

- Critical thinking skills in combination with a strong understanding of business and financial concepts.
- Strong written and oral communication/presentation skills.
- Exceptional analytical and problem solving skills, detail-oriented, entrepreneurial attitude.
- Ability to work independently and as part of a team in a fast-paced environment.
- Advanced skills in Excel, PowerPoint, and Word.
- Excellent communication and interpersonal abilities.

If you are passionate about high-growth start-ups and have a strong desire to play a part in building the next great Canadian technology company, please apply today.

We look forward to reading every application and welcoming a new, bright mind to Gastronomous shortly!
